

### MELORA HARDIN

# FINDS HER INNER TEEN

● The *Office* star, 41, pairs with Miley Cyrus in *Hannah* and Zac Efron in *17 Again*.

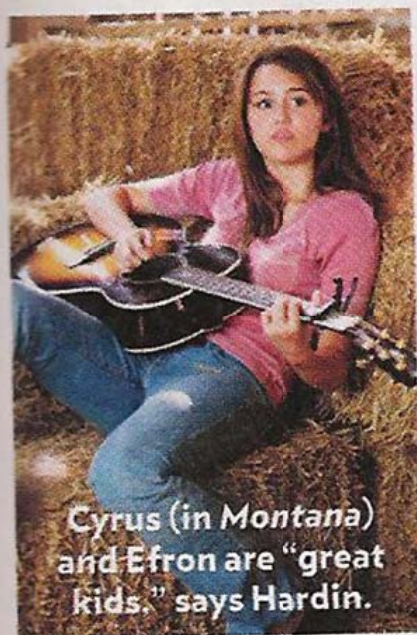

**HOW WAS WORKING WITH MILEY?** Miley has no veils. She has normal concerns, like boys and outfits. We don't really watch TV at home, but when [my daughters Rory, 4, and Piper, 7] met her, they thought she was really nice.

**AND ZAC?** [On location for *17 Again*,] the girls would come out of

class and scream through the windows. Zac is truly dreamy. If I were 20 or 21, he'd be in big trouble!

**WHAT DO YOUR GIRLS THINK OF YOUR JOB?**

I'm a superstar

Cyrus (in *Montana*) and Efron are "great kids," says Hardin.

in our household. I am savoring every moment because I'm sure a day will come when I'm not.

**WHO WERE YOUR TEEN CRUSHES?** Leif Garrett, Scott Baio and Shaun Cassidy. I kept a stack of *Teen Beats* in the corner of my room. I read and reread about all the cute boys.
